WRUW welcomes you to our 25th annual Studio-A-Rama. We hope you enjoy the artists that we have chosen for this years' event. Studio-A-Rama is our way of saying "THANKS" to our listeners for supporting non-commercial radio. It's also one of the many ways that we support our local musicians. 25 years is quite an accomplishment! We've presented a variety of bands over the years, including: Guided By Voices, U.S. Maple, Magnolia Electric Co., Love Tractor, NRG Ensemble, The Upper Crust, and Naked Raygun, not to mention all of the local and regional acts that have played on our stage!

As WRUW celebrates 40 years of broadcasting, we realize that we wouldn't be as successful as we are if it wasn't for our awesome listeners. WRUW proudly broadcasts at 15,000 watts throughout much of Northeast Ohio, and we continue to offer webcasting and show archives, which allows our station to be heard worldwide! We continue to make improvements in the quality of our air signal to ensure that you can hear us loud and clear.

WRUW's Fall Programming Schedule took effect on Sunday, September 10. We like to mix things up every now and again & we hope that you'll check out some programs that you aren't familiar with. We're confident that you'll find something that you like. Keep your eyes open for the new schedule, which will be appearing in the center of the Free Times later this month (or check out our website).

As always, stay tuned to 91.1 FM and www.wruw.org for more details about what's going on at WRUW.
